Printing & Assembly Instructions:

1. Print pages 1-6 on cardstock
2. Place the pages back into your printer* and print pages 7-12 on the backs (if you want the number words).
3. Cut on solid lines & laminate for more durability.
4. Place number cards in a zip top bag and use clear packaging tape to attach the label to the bag.

*run a test page to make sure you know how to do this on your printer.
